Join the Global PADA Community: Become a Certified Evaluator, Leader, or Technician

Are you passionate about understanding dogs, their behavior, and unique personalities? Take the next step in your journey by becoming a certified PADA Evaluator, Leader, or Technician and contribute to the well-being and understanding of dogs worldwide.

If you do not see yourself conducting live PADA tests but have a genuine passion for learning more about dog mentality, the theoretical part will be of utmost interest to you.

Why Choose PADA?

- **Expand Your Knowledge:** Learn advanced techniques to assess and understand canine behavior, mentality, and personality through our expertly designed programs.
- **Be Part of a Global Network:** Join a worldwide community of professionals committed to advancing canine personality assessments.
- **Make a Difference:** Help create a better world for dogs by understanding their unique traits and supporting their mental well-being.

Who Is This For?

Our programs are designed for professionals and enthusiasts alike – whether you're a dog trainer, behaviorist, veterinarian, or simply someone passionate about canine welfare.

Choose Your Certification Path:

- **Evaluator:** Specialize in assessing and documenting canine personalities.
- **Leader:** Support handlers in guiding dogs through the PADA Test.
- **Technician:** Work hands-on with dogs during the testing process.

Why Wait?

By becoming a certified PADA professional, you'll gain valuable skills, join a growing international movement, and make a meaningful impact on canine well-being.

Requirements for Full Certification

- **Theoretical Course:** Estimated 150 hours
Price: €899

To obtain **full certification**, allowing you to conduct PADA tests independently with your PADA team, you must also complete the practical part of the certification. This requires submitting an application to begin the practical training, which includes:

- **Practical Training:** Estimated 100 hours
 - **Zoom Meetings:** Estimated 10 hours
- Price:** €299

To become a PADA Technician, you must demonstrate a passion for dogs.

To become a PADA Leader, you must also be a certified dog instructor.

To become a PADA Evaluator, you must have a minimum of three years of higher education in dog behavior.

To become certified as a PADA Team Member, you must either be an individual member of IAHAIO/AAll or a member of an organization recognized by IAHAIO/AAll.
